SARDAR VALLABHBHAI NATIONAL INSTITUTE OF TECHNOLOGY, SURAT
(An Institute of National Importance, Established under NITSER Act by Ministry of Education, Govt. of India)

No: DoCE/SVNIT/2023-2024/

Date: June 27, 2023

This is to certify that we have physically inspected the existing COAST GUARD PUBLIC SCHOOL, AIRPORT ROAD, DALWADA, DAMAN.

- Date of inspection by expert: June 21, 2023.
- Name of Building: COAST GUARD PUBLIC SCHOOL, AIRPORT ROAD, DALWADA, NANI DAMAN.
- Owner of building Defence Land.
- Client: Principal, Coast Guard Public School, Airport Road, Dalwada, Nani Daman.
- Location: Defence land, totalling 65 acres, and School area with ground covering 17 Acres.
- Year of construction: Ground Floor in 1994; first floor in 1997; second floor in 2002.
- Purpose of building used: Educational Building.
- Detailed construction of the building: Reinforced Cement Concrete (RCC) frame structure, Ground + 2 Storied School building.

The above-mentioned school building was visited by Prof. A.J. Shah and Dr. B. K. Vendhan from the Department of Civil Engineering, Sardar Vallabhbhai National Institute of Technology (SVNIT), Surat, 395007. Which is an institute of National importance and a centrally funded institute under the Ministry of Human Resources Development (MHRD), Government of India, New Delhi.

THE FOLLOWING POINTS WERE NOTED DURING THE VISIT BY VISUAL INSPECTION AND NON-DESTRUCTIVE TESTING:

1. The Construction of Coast Guard Public School, Airport Road, Dalwada, and Nani Daman appears in very good condition. The ground floor was constructed in 1994, the first floor in 1997, and the second floor in 2009, as per the data given by the client.
2. This building is a ground-floor + two-floor school building. The type of structure is an RCC-framed building.
3. The masonry is in very sound condition, without any cracks or settlements.
4. The entire RCC slab and column is in sound condition, without any defects or cracks.
5. Doors, windows, and window frames are without any damage.
6. The toilet block is in sound condition, with no leakages and adequate numbers.
